**Marilyn Wood : Frommer's Wonderful Weekends from New York City** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Wonderful Weekends from New York City:

15 of 17 people found the following review helpful. Updated in 1999 !By missannie1686We have been using Marilyn Wood's Wonderful Weekends Copyright 1984, 1987 and enjoyed it very, very much. Right from the first trip, we

knew we had a winner. The paperback is dog eared, paperclipped, underlined in red and there are pencil and ink notes in all the margins. It is a truly wonderful book but needed updating. We purchased the "All New Fourth Edition!" of Wonderful Weekends thinking it would have the best of the previous edition, plus new places to explore minus the places that are no longer there. Not so! Several of the areas that we looked up included restaurants that have not been there in 2 or 3 years. One of the BB's has had new owners for years and the listing shows the old owners' story and names. We will stick with our original 1984-1987 version and use the new one for backup with each trip. Hopefully, there will be some New information in this Fourth Edition. This was a lesson to me that when I look for updates for books of this type, it would be a good idea to find out the date of the update before making a purchase. 1 of 1 people found the following review helpful. Not just outdated By Paige Bucherschrank Aside from the listings that are out of date there are errors about what took place when and who was born where. If you simply must visit the site of a certain event or birth place of a famous person, you had better check another source before making a three hour drive.

This completely revised and updated edition of Marilyn Wood's acclaimed weekend guide offers a host of getaways for harried New Yorkers, in the Hamptons, the Berkshires, southern Vermont, Pennsylvania Dutch Country, the Hudson Valley, the Litchfield Hills, and more. You'll find detailed reviews of more than 400 country inns, BBs, and other special places to stay, plus the region's best dining, with recommendations for everything from romantic candlelit dinners to picnics and Sunday brunch. Also included are details on the region's attractions, festivals, and activities. It's everything you could need to relax, rejuvenate, and unwind and it's all within easy reach of the city!

From the Back Cover Escape the City and Give Yourself a Wonderful Weekend! Wouldn't it be great to get away from it all? To relax on a beach in Cape May drive through the scenic Litchfield Hills picnic in the Berkshires explore Block Island go skiing in Vermont or just read by the fire in a Hudson Valley farmhouse? Wherever you want to go well take you there and show you how to have the time of your life, no matter what the season. Everything You Need for the Perfect Weekend: More than 400 country inns, bed-and-breakfasts, historic hotels, and other special places to stay (including budget choices) Restaurants, restaurants everywhere: from romantic hideaways with the finest cuisine to comfortable-as-an-old shoe diners and family restaurants; and where to buy the fixings for a great picnic What to see and do on your getaway, from gallery hopping to hot-air ballooning, to enjoying the art of peaceful relaxation Special events worth planning for: country fairs, summer theater, harvest festivals, chamber and orchestral music fests About the Author MARILYN WOOD came to the United States from England to study journalism at Columbia University. The former editorial director of Macmillan Travel, she has also worked as a reporter, ranch hand, press officer, and book reviewer.
