Elisabeth Kwak-Hefferan : Frommer's Yellowstone and Grand Teton National Parks (Complete Guide) before

purchasing it in order to gauge whether or not it would be worth my time, and all praised Frommer's Yellowstone and Grand Teton National Parks (Complete Guide):

0 of 0 people found the following review helpful. Good but smallBy Alley KatGood guide but the Look Inside preview leads you to believe the book is full of color photos. Only the first few pages have color photos and there are no photos in the rest of the book. Also this book is small - about the size of a standard paperback which makes it good for throwing in a backpack, but not so good if you have any eyesight issues.0 of 0 people found the following review helpful. very informativeBy Jeffrey L. Fosterwife reviewed this to help plan our trip to Jackson Hole and Yellowstone and it was very helpful2 of 2 people found the following review helpful. An excellent resource! Made the vacation better!By Hope R.This book was just perfect! Small enough to fit in the small backpack I carried, but so up to date and filled with good information. I thought the reviews for the different restaurants and lodgings were spot on, and I really appreciated the honesty about the difficulty levels and plusses or minuses of the top hikes. The drawings of the different flora and fauna, along with their description were a really nice touch---they gave just enough info so I could identify what I was seeing and understand a bit more about it, but not so much that I had to walk with my head buried in the book.

Frommer's guidebooks, unlike those of many of our competitors, are written by local experts (not outsiders)like Elisabeth Kwak-Hefferan, a Montana resident, naturalist, and noted travel journalist. In this handy, pocket-size book, she'll help you sort through all the options, so you can tailor an adventure that's right for you.This guide contains: Insider advice on the best ways to experience some of the country's most dazzling natural landscapes, including tips on the best views, the best backcountry trails, the best scenic drives, and the best activities outside of the parks Insightful commentary on park landmarks and specific trails, from the majestic Old Faithful Geyser to the iconic, multicolored Mammoth Hot Springs to the solitary Signal Mountain Summit Trail Detailed practical information, including tips on safety, advice for beginning backpackers, and when and where to go to avoid crowds Opinionated write-ups of hotels, campgrounds, and restaurantsno bland descriptions or lukewarm recommendations here Exact prices listed for every establishment and activity, so there's no guessing or nasty surprises Helpful maps throughout

About the AuthorElisabeth Kwak-Hefferan is a freelance writer and editor who specializes in the outdoors, environment, travel, health, food, culture, and science. Her work has appeared in Backpacker, Grist, Organic Life, Women's Adventure, 5280 (Denver's city magazine), and more.She is Backpacker's Rocky Mountain Editor and a contributing writer for Grist.org. Elisabeth lives in Missoula, Montana, where the spectacular natural beauty is second in renown only to the staggeringly high craft brewery-per-capita ratio (beer of choice: Kettlehouse Cold Smoke, if you're buying).
