Eric Peterson : Frommer's Yosemite and Sequoia/Kings Canyon National Parks (Park Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frommer's Yosemite and Sequoia/Kings Canyon National Parks (Park Guides):

33 of 33 people found the following review helpful. Well-organized, succinct and useful. Not comprehensive. By 410
This guide is very succinct, affordable, and accessible. It's not at all comprehensive, yet is still one of the most useful guides to the region due to its brevity and organization. Plus it covers both Sequoia/Kings Canyon and Yosemite. Planning: A nice job is done. There is a lot of detail on roads into the parks and hotels, information lacking in the more specialized hiking guides. It covers most of the big park highlights you don't want to miss if you're only visiting the region once or twice. This is not the sort of guide that will tell you where to find solitude and remote regions. It is also one of the best guides to have if you don't want to rough it the entire trip. I like to space long backpacking treks with a visit to a nice restaurant—this guide offers a lot of variety on this end. The same goes for hotels, if you're not into backpacking or looking for a place just after getting on/off a plane. Hiking Trip Descriptions: Pretty minimal. This book spotlights the more popular trails but does a fairly decent job of highlighting don't miss items. Maps: Non-topographic but highly readable. The printing is crisp and highly readable. Useful for planning short day trips. Overall this is a pretty useful guide. As the price is great you can easily buy this to supplement a more specialized hiking guide and map. Note that Frommer seems to put out a new edition every couple of years. I don't think very much could have changed, so an older edition will do just fine. 0 of 0 people found the following review helpful. David and Martha's Yosemite Adventure By David Lucero
This book helped us choose popular and well worth your time hikes through one of the best National Parks in the country. It saved us time, and allowed us to make the most of our week-long vacation in Yosemite. This handbook will help make your vacation more fun and time-saving. Enjoy the outdoors while you can! 0 of 0 people found the following review helpful. Great information By CKNH
Great place to start for travel information, basic guide hotels, restaurants, places of interest, and basic hints. Pocket size easy to pack 'n go.

Frommer's Yosemite and Kings Canyon/Sequoia is packed with all the facts, tips, and descriptions you need to have perfect park vacation, in a pocket-sized guide: The most memorable natural wonders, from majestic Yosemite Falls to Kings Canyon's towering sequoias. Great places to stay in and near the parks, ranging from historic lodges to family-friendly motels, plus a complete campground guide for each park. A fully illustrated nature guide to help you spot and identify condors, bobcats, wildflowers, and more. The best hikes, from ranger-led interpretive walks to challenging backcountry overnights. Detailed, accurate park and trail maps.

From the Back Cover See the very best of Yosemite and Sequoia Kings Canyon National Parks From majestic Yosemite Falls to Kings Canyon's towering sequoias, let our expert author guide you to the best of the national parks. Detailed maps of the region, parks, and trails Exact prices, directions, and other practical information Candid reviews of places to stay, eat, camp, and stock up on supplies Insider tips from local expert authors About the Author A Denver-based freelance writer, Eric Peterson has contributed to numerous Frommer's guides covering the American West, and has written Frommer's Montana Wyoming, Frommer's Colorado, Frommer's Yellowstone Grand Teton National Parks, and Ramble: A Field Guide to the U.S.A. Peterson also writes about travel and other topics for such publications as ColoradoBiz, Delta Sky, and the New York Daily News. In his free time, he's an avid camper and hiker, a lifelong Broncos fan, and a part-time rock star (at least in the eyes of his niece Olivia and nephews Mitch and Sam).
