Although we are still in the planning stages, of the 4 books I have on Zions/Bryce the Frommer's guide is the one I keep going back to. It will be small enough to keep in our backpack while hiking, yet it's easy to read unlike the Lonely Planet's version. It has some nice historical facts, but mostly just drills down on the hikes and makes it easy for me to decide what our family can/can't do.

The book is abbreviated but gives good insight into the best trails and some background on the parks. The fact that they talked to actual rangers and retired personnel were a plus. The restaurant that was recommended at Zion, Pizza and Noodles, had a nice atmosphere but heavy and sort of amateurish pizza. If you're at the parks for a couple of days each, the book is most helpful.

By KimI purchased this guide in addition to the Falcon Guide for Hiking Zion and Bryce Canyon and they were the perfect combination. We used so many of the suggestions in this guide. It helped us get the most out of our vacation and took out a lot of the guesswork. We took the restaurant suggestions and they were right on the money! I would purchase a guide by this publisher again.

Expert authors Don and Barbara Laine share their travel advice garnered from four decades spent living in and researching the American Southwest. Detailed maps of the region, parks, and trails guide you through your trip. Candid reviews point out places to stay, eat, camp, and stock up on supplies. Opinionated reviews. No bland descriptions and lukewarm recommendations. Our expert writers are passionate about their destinations--they tell it like it is in an engaging and helpful way. Exact prices listed for every establishment and activity--no other guides offer such detailed, personal reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people--whether you like to camp, RV, or sleep at the lodge. User-friendly features including star ratings and special icons to point readers to great finds, excellent values, insider tips, best bets for kids, special moments, and overrated experiences.
