Judy Colbert : Fun Places to Go with Children in Washington D.C.: Third Edition Revised and Updated before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun Places to Go with Children in Washington D.C.: Third Edition Revised and Updated:

28 of 28 people found the following review helpful. Valuable ResourceBy IdeaMomWe live within a couple of hours from D.C., and find this to be a wonderful resource. I would recommend it to people who live nearby and are looking

for a fun family outing for the day or weekend. Descriptions of landmarks are accurate and up-to-date. Directions give street addresses and nearest subway station. A city map is needed since no directions are given from the station to the landmarks. For families spending less than a week in D.C., I would recommend purchasing a more detailed Frommers or Fodors guide since they offer more bang for your buck. This book only lists attractions. For restaurants (besides Hard Rock) and hotels, you will need another guide.

Washington, DC, plays host to millions of children each year, and travel author Judy Colbert knows where they'll have the most fun. Including descriptions of sights throughout the city and nearby Maryland and Virginia, this third edition is a thorough and inspiring guide to the best family activities in and around the nation's capital.

About the Author Judy Colbert is a Maryland-based travel writer.
