Everything to do and see, locations, prices - it's all here. I let the kids choose what they wanted, mapped it out, and we're on our way. For kids of all ages!!6 of 6 people found the following review helpful. Don't Waste Your Money on This BookBy TKIf you have any knowledge of Vegas, don't waste your money on this book. If you are looking for a book that will tell you the best places to stay with kids, or restaurants to go to, or activities to do, like I was, -- again don't waste your money on this book.Instead of giving the reader a list of best hotels, restaurants, etc. it has something good to say about every place. Every hotel reads like a page out of the hotel brochure. I was thouroughly disapointed. I can honestly say I did not learn one thing from this rather short and dry book. Also, watch some Travel channel specials.If you need a book, the best I have read so far has been "The Unofficial Guide to Las Vegas"2 of 2 people found the following review helpful. Light on GamblingBy A CustomerThis book is a great way to find experiences in Las Vegas inside and outside of the casinos. There are lots of suggestions for fun things to do when gambling wears off, or the kids (or you) need more interesting activities. Our children are grown with kids of their own, but we like the book for suggestions for us. You don't need kids to get a lot of value out of the book. The writing style is personal, humorous and fun. One of the best travel books I've ever read. The organization makes it easy to read from cove to cover, or to jump to a specific interest. If you are headed to Las Vegas you need this book.

Developed with families in mind, Fun with the Family "TM" books are the ultimate guides to family fun and adventure. Written by parents for parents, these state-specific guides include hundreds of ideas for families with kids from ages 2 to 12.Featuring visually appealing at-a-glance icons, reader-friendly sidebars, and comprehensive end-of-chapter listings of family-friendly places to stay and eat, these guides to hundreds of fun -- and many free -- things families can see and do are an invaluable reference for both residents and out-of-state visitors.

"Enables parents to turn family travel into an exploration." -- Alexandra Kennedy, Editor, Family Fun (Praise for the Fun with the Family series)
