3 of 3 people found the following review helpful. Great for Traveling through NM By apoem This book has something to do in almost every city of New Mexico. It has a lot of information that is well worth reviewing before taking a trip in New Mexico. There is contact addresses and phone numbers if the information in this book is not enough, you can call and write for more. There are lists of annual community events, things to see, campgrounds, places to go, stuff to do from fishing to golfing to shopping. In other words, if you have children and want an activity for a certain area, this is the book to turn to. I particularly liked the picture icons that are in front of each attraction. It made it easy to find a place to camp. The icons also made it easy to quickly rule out or read more about a place listed. I also felt that this book was logically separated into different areas of NM (for example, Northern NM). I think this is a must have book for those traveling with kids. We keep it in the car when we travel and refer to it before we reach a town. This way we can quickly review if we want to stop at an attraction in this town or travel on ahead and save our time for a later attraction.

This Fun with the Family guide to New Mexico provides easy-to-use and up-to-date information on how to enjoy short term trips with children (ages 2-12). Including places to eat, stay, as well as "Other Things to See and Do" with the kids.

"Skiing and shopping are great for grownups, but this guide suggests alternatives the whole family can enjoy." --
"Daily News, New York, NY (Praise for a previous edition) From the Back Cover If you're taking the kids to the Land of Enchantment, this is the book for you. From Philmont Scout Ranch to Sitting Bull Falls to Sandia Pueblo, you'll find something to satisfy every whim! The book divides the state into 6 geographic regions, each with accommodations and eateries listed by city/town. Written by a parent, for parents, this opinionated, personal and easy-to-use guide has the best things to see and do to keep the kids busy and happy for an hour, a day, or a weekend--a guaranteed antidote to vacation boredom!
