Fun with the Family Virginia, 7th: Hundreds of Ideas for Day Trips with the Kids (Fun with the Family Series):

From well-known sites to little-known places, families will find plenty to do in Virginia. Discover hiking, swimming, biking, and more in Chincoteague National Wildlife Refuge; get wet at a forty-acre water park in Williamsburg; or visit the Virginia State Capitol building--designed by Thomas Jefferson--in Richmond.

"Not many travel guides cater to the entire family by combining activities and stops that both parent and child can enjoy. With [this book], Stapen fills this niche. She includes restaurants that satisfy both mature and youthful palates . . . and fun sites to visit: from the educational to the whimsical."--The Bloomsbury
