John Muir : Gentle Wilderness: The Sierra Nevada before purchasing it in order to gage whether or not it would be worth my time, and all praised Gentle Wilderness: The Sierra Nevada:

1 of 1 people found the following review helpful. Excellent purchaseBy Jim59The book arrived promptly and in excellent shape, consistent with the listing. I am very happy with the purchase and this vendor's performance.

Nearly a century after John Muir's personal account of the Sierra Nevada, Richard Kauffman has come along with a color camera to recapture the feeling of discovery and the vividness in what Muir called the Range of Light.
