From Geographia Map Company : Geographia QuikFinder: New York City - Manhattan before purchasing it in order to gage whether or not it would be worth my time, and all praised Geographia QuikFinder: New York City - Manhattan:

The 2003 Edition of the Geographia Quikfinder: New York City - Manhattan is a fold-out, clear plastic laminated, color, 16-panel map, which is "The Fastest Way to Find Your Place" in Manhattan. This write on/wipe off, fully-indexed Street Map also features: Manhattan Bus Map, Manhattan Subway Map, Manhattan Address Locator, Manhattan Neighborhoods Zip Codes, Index to Named Streets, and a Legend showing Parks, Cemeteries, Playgrounds, Colleges, Universities, Hospitals, Points of Interest, Subway Stations, and Ferries. This water-safe, durable field guide provides scales for walking distances measured in feet and meters.
