major tourist attraction in the city is listed! There may be some hidden, actually off the beaten path jewels in the book that I haven't discovered yet, but from what I've seen so far, the title of this book is very, very misleading. It should have been titled "The Guide to Major Tourist Attractions in Georgia." The essential source of information about the sights and sites travelers and locals want to see and experience--if only they knew about them! From the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales, these guides take the reader down the road less traveled.
