Ghosts on Tour~By MzscahlettWe purchased this book to allow us to wander the streets of New Orleans as informed as we could be about the history of the City. We had been before, but a ghost tour always conflicted with our fantastic dining plans. This book allowed us to tour the city as my husband

recited the history of the many "scary" sites that fill the Quarter. Great buy.0 of 1 people found the following review helpful. Entertaining, but true????By Linda Likes to LearnThere are many tales of ghosts and the supernatural in this book - but serious investigators have suggested that a lot of these stories are more legend than truth. Interesting, but not for the purist looking for actual facts.0 of 0 people found the following review helpful. So You Want To be a Paranormal InvestigatorBy Kathleen M.
