Jeff Dwyer : Ghost Hunter's Guide to Portland and Oregon Coast before purchasing it in order to gage whether or not it would be worth my time, and all praised Ghost Hunter's Guide to Portland and Oregon Coast:

Spectral sights from the creepy coast! Whether youre strolling around Portland or are an armchair visitor, this guide will bring you all the thrills and chills of one of the most haunted cities in the country. Steeped in history, the Oregon

coast has been the site of eerie events over the centuries. Relive early Portland at Tryon Creek State Park, where the ghostly voices of loggers and the whinnying of horses can still be heard. Spirits linger in Prohibition-era Shanghai Tunnels, where prostitutes and immigrants were bought and sold. The Gray Lady still tends to the windswept Heceta Head Lighthouse, watching over her infants grave. Author Jeff Dwyer explores these lingering phantasms and others in this sepulchral volume of history and mystery.

From the Inside FlapThis comprehensive guide to the haunts and history of Portland and the surrounding areas explores more than ninety spectral sites. From the haunted Heathman Hotel to the restless souls of the Lone Fir Cemetery, from the wailing spirits trapped in the Shanghai Tunnels to the mournful Grey Lady of the Heceta Head Lighthouse, the storied past of the Oregon Coast can still be experienced. Relive the region's days as a series of frontier towns through the Gold Rush, wars, and modern times. This companion to publicly accessible sites includes ghost-hunting instructions and tips, as well as helpful checklists for getting the most out of your next supernatural encounter. Jeff Dwyer, an expert ghost hunter, has been fascinated by local history and ghost lore since boyhood. A much-sought-after paranormal investigator, Dwyer makes appearances on the Travel Channel's Ghost Adventures and is a regular guest on local and national radio and television programs. He is the author of Ghost Hunter's Guide to California's Gold Rush Country, Ghost Hunter's Guide to California's Wine Country, Ghost Hunter's Guide to Los Angeles, Ghost Hunter's Guide to Monterey and California's Central Coast, Ghost Hunter's Guide to New Orleans, Ghost Hunter's Guide to Seattle and Puget Sound, and Ghost Hunter's Guide to the San Francisco Bay Area: Revised Edition. He lives in Fairfield, California.
