Lots of places I'd like to visitBy Craig LowreyA very informational book. Lots of places I'd like to visit.0 of 0 people found the following review helpful. Ghost Town BookBy ATVDUDEGood book on Montana Ghost Towns. I like all the information and old photos. It is lacking in maps on how to get to these places, but that is OK, I can figure it out my self.

A return to Montana's past through images of its ghost towns and stories of the people and events that shaped them.

The heroics, humor, and legends come to life in an artful blend of text and photos.
