**T. Lindsay Baker : Ghost towns of Texas** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ghost towns of Texas:

0 of 0 people found the following review helpful. Very neat book of history By Renee My husband loves it. So much history. The book is in great shape and it shipped fast. 0 of 0 people found the following review helpful. Really like the descriptions of the towns and how to find ... By Kindle Customer Several friends and I started looking at Texas Ghost Towns and ordered this book. Really like the descriptions of the towns and how to find them. 0 of 0 people found the following review helpful. Five Stars By Customer GREAT shape wonderful book

"The indefatigable T. Lindsay Baker has now turned his enormous mental and physical energies to the subject and has brought to view - if not to life - eighty-six Texas ghost towns for the reader's pleasure. Baker lists three criteria for inclusion: tangible remains, public access, and statewide coverage. In each case Baker comments about the town's founding, its former significance, and the reasons for its decline. There are maps and instructions for reaching each site and numerous photographs showing the past and present status of each. The contemporary photos were taken, in most instances, by Baker himself, who proves as adept a photographer as he is researcher and writer.... Baker has done his work thoroughly and well, within limits imposed by necessity. He obviously had fun in the process and it shows in his prose." ---New Mexico Historical Review

About the AuthorT. Lindsay Baker, who holds the W. K. Gordon Chair in Industrial History at Tarleton State University, Stephenville, Texas, is Director of the W. K. Gordon Center for Industrial History, Thurber, Texas, and editor of the *Windmill's Gazette*.
