**Jim Hinckley, Kerrick James : Ghost Towns of the Southwest: Your Guide to the Historic Mining Camps and Ghost Towns of Arizona and New Mexico** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ghost Towns of the Southwest: Your Guide to the Historic Mining Camps and Ghost Towns of Arizona and New Mexico:

1 of 1 people found the following review helpful. Great source of information for history buffsBy GoofyGirlGreat source of information for history buffs, like me. The only complaint that I would have is that I wish it were longer! I even found out information about the small town that I live in that I never knew before. Nicely written and great photos!1 of 1 people found the following review helpful. good book, this edition is poor quality howeverBy richard hartigI bought this book a few years ago and wanted to buy it for a friend. This edition is of much poorer quality of paper and photographs although the information is the same.0 of 0 people found the following review helpful. BAD BINDING -- BUT GOOD BOOKBy DONNA JONESBook was really good and we are using it on vacation; however, it is coming unbound and pages falling out!

For centuries, the stunning panoramas of Arizona and New Mexico served as the backdrop for a veritable cavalcade of human history. From Anasazi cities built within towering canyon walls to early outpost villages of an expanding young nation, the Southwest served as the home to a range of communities that first thrived and ultimately demised in the region's rugged, sprawling landscapes. Today, the Southwest lures visitors with its majestic natural scenery and links to a fascinating chapter in our nation's history. In *Ghost Towns of the Southwest*, Jim Hinckley and Kerrick James present the colorful stories, colorful characters, and colorful landscapes that bring to life these landmarks of our past.

*Escapees*, May/June 2010This latest book is another fabulous work of Jim Hinckley, who recently gave us those wonderful *Route 66* books...The photos by Kerrick James are simply fabulous and give a tangible flavor to the dramatic landscapes. Even if you never travel to these places, the photos are worth the price of the book.
