**Michael Varhola : Ghosthunting San Antonio, Austin, and Texas Hill Country (America's Haunted Road Trip)**  
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ghosthunting San Antonio, Austin, and Texas Hill Country (America's Haunted Road Trip):

0 of 0 people found the following review helpful. a good read.By Christopher Q.Halloween is coming up, anyone I ask about Ghost Hunting in San Antonio keep talking about the same one, over and over. So far, a good read.1 of 1 people found the following review helpful. but this book still held me spellbound which was great fun.By Customeri have hear these stories, but this book still held me spellbound which was great fun.. i live in san antonio, and the stories were well done and very well researched.

Settled by Spanish explorers more than three centuries ago, San Antonio has a rich haunted history. Ghosthunting San Antonio, Austin, and Texas Hill Country by local author Michael Varhola covers 30 haunted locations in or around the cities of San Antonio and Austin and throughout the region known as Texas Hill Country. Each site combines history, haunted lore and phenomena, and practical visitation information. The book is organized into four geographical sections, "City of San Antonio," "Greater San Antonio," "Austin," and "Texas Hill Country." This hands-on guide also includes an introduction to the subject of ghosthunting in the Lone Star State and all the information readers need to visit the places described within it including descriptions of nearly 100 other haunted places.Sites covered include bridges, churches, colleges and universities, cemeteries and graveyards, government buildings, historic sites, hotels, museums, parks, restaurants and bars, and much more. They include the Crockett Hotel, built on the spot where David Crockett and the final defenders of the Alamo are believed to have been slain; the Ghost Tracks, where spectral children are known to move people's stopped cars and the Devil's Backbone, the haunted highway that wends through the hills north of San Antonio.

About the AuthorMichael Varhola is a writer who has authored or coauthored 34 books and games including the swords-and-sorcery novel "Swords of Kos: Necropolis," and two fantasy writers guides. He has also published more than 120 games and related publications. He is the founder of game company Skirmisher Publishing LLC, editor in chief of d-Infinity game magazine, and editor of the "America's Haunted Road Trip" series of ghosthunting travel guides. He has edited, published, or written for numerous publications, including "The New York Times." He also has an active online presence, notably through Facebook and a variety of other blogs, forums, and sites. He lives in Texas Hill Country."
