Ruth D Hein : Ghostly Tales of Minnesota before purchasing it in order to gage whether or not it would be worth my time, and all praised Ghostly Tales of Minnesota:

The Land of 10,000 Lakes? Perhaps it should be called the Land of 10,000 Ghosts! This collection of stories by Ruth D. Hein gets under your skin with eerie happenings, unexplainable events and mysterious situations. There are tales of moving lights, footprints that suddenly stop and disappear, and even a jealous spirit that pushes people down the stairs! Whether you believe in ghosts or not, the 33 stories presented here are as entertaining as they are thought-provoking. Warning: Do not read Ghostly Tales of Minnesota alone!
