helpful. found these collected columns to be remarkably boring. Also By L. Glia I rew up reading Berkow on the pages NYT's sports pages. Nevertheless, found these collected columns to be remarkably boring. Also, many of them (although a minority) were not related to the Giants. Very disappointing. 2 of 2 people found the following review helpful. Three Stars By Gary Jackson Pretty good but if you are a well educated Giants fan --- not much new insights.
