Kevin Kernan : Girardi: Passion In Pinstripes before purchasing it in order to gage whether or not it would be worth my time, and all praised Girardi: Passion In Pinstripes:

1 of 1 people found the following review helpful. Yankee fansBy KeoniBoyIf you love the Yankees as much as I do you will find this book enjoyable andworth reading. Will Joe g. Lead the Yankees to as much glory as Joe t. Did?only time will tell. has lots of books on the Yankees. They are allworth checking out. Happy reading Yankee fans! Aloha haleiwa jon2 of 3 people found the following review helpful. good bookBy MAXIMILLIAN MUHAMMADany one

who manages the greatest sports franchise ever and also the best Baseball team in the Major Leagues you are going to want to know as much about them. Joe Girardi was a lunch pale bucket player hard nose and tough as a catcher. always did his thing and came through. he has turned into a really good manager. believe me contrary to what some Yankee haters will tell you, being with a team that spends alot of money and managing the egos ain't as easy as it looks. it takes a certain mind set and Joe Girardi is just the right dude for the job. Yankees got the Jewlery back in 09. Joe has family and friends respect. he is a stand up Guy and this book balances his life growing up til now really well.0 of 0 people found the following review helpful. but sadly the writing quality could be way better.By Andrew BettencourtWritten about a solid person/manager, but sadly the writing quality could be way better.

Drawn from more than 60 interviews and hours of face time, this authorized biography offers an unprecedented inside-the-dugout look at the manager who guided the New York Yankees to their 27th world championship. Beginning with his childhood in the baseball mecca of Chicago, this book traces Joe Girardis rise from a catcher at Northwestern University to his time in the minors, his 15 years in the majors, and his successful career as a manager. As much a character portrait of the man as a chronicle of his achievements, this study reveals the amalgam of influencethe relentless work ethic learned from his father combined with the systematic mind of an engineer, the baseball know-how instilled by the likes of Don Zimmer and Joe Torre, and the heart of his tenacious motherthat combined to propel Girardi to his current stature.

About the AuthorKevin Kernan is an award-winning sports columnist for the New York Post who hascovered the New York Yankees since 1999. He is the author of numerous baseball-related books, includingAmazing!, and the coauthor of I'm Just Getting Started. He lives in Pequannock, New Jersey.
