**Bert Gildart, Jane Gildart : Glacier National Park Pocket Guide (Falcon Pocket Guides Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Glacier National Park Pocket Guide (Falcon Pocket Guides Series):

I chose it because it would fit easily in a pocket, which is always nice when hiking. However, while it has lots of pretty photos and some general information about Glacier, there is almost no useful trail information. When we got to Glacier this guide was tossed aside and we bought a more useful guide in the park gift shop.0 of 1 people found the following review helpful. Five StarsBy tammyGood book0 of 2 people found the following review helpful. Bucket List Location! Great bookBy OutdoorsmanThe place is smoking! A must go "bucketlist" for everyone! You can see a ton from the road but be sure to hit Grinnel and Iceberg lake!

Glacier National Park Pocket Guide is an information-packed, pocket-size guide that helps visitors get the most out of their park visit in a unique, convenient, and portable package.

From the Back CoverPut Glacier National Park Pocket Guide in your pocket and explore one of the jewels of Americas national park system. This information-packed, fully portable book highlights the key things needed to get the most out of your visit. Outdoor activities and flora and fauna are detailed, as well as useful travel information to help you navigate areas in and outside the park.
