Sheri This is a perfect book to read by someone who is familiar with Walt Disney World and is going to Disneyland for the first time. It is packed with very useful information. I HIGHLY recommend!!! 1 of 1 people found the following review helpful. Exactly what every Disney World pro needs to know about visiting Disneyland By Tammy Gilliam We have been to Disney World countless times, every year. With all the new construction we thought why not consider Disneyland but we're concerned there would not be enough to do with just two parks. This book has answered all my worries and more. So many great tips. 0 of 0 people found the following review helpful. Excellent guidebook! By T. Hess It is exactly as the title reads, and it is exactly what I needed!! If you are new to Walt's original but are familiar with the East coast parks... This is the guide book for you!! It's my new "go to" and I refer any other west coast newbies to it as well. Bravo!! Excellent guidebook!!

Features include: Land-by-land breakdowns of every attraction in both parks, including comparisons to the versions you're used to in Florida. Guides to the best ways to get to Disneyland including airport recommendations and ground transportation options. Informative descriptions of every restaurant on property and a list of the "Top 25 Foods You Can Only Get at the Disneyland Resort." A look at Disneyland throughout the year so that you can choose the best time to visit. Debunked myths and surprising truths about the Anaheim parks. Ways you can find Walt Disney's influences on his theme park. Your Disneyland bucket list including tips for how to have exclusive experiences and discover hidden gems. Much, much more! Updated for 2016 to include: Special additions for the Disneyland Resort Diamond Celebration. Descriptions of the new Paint the Night Parade, Disneyland Forever fireworks, and World of Color Celebrate! Information about Season of the Force attractions, including Hyperspace Mountain and Star Wars Launch Bay. New attractions like Luigi's Rollickin' Roadsters.

About the Author Taylor Roberts fell in love with Disneyland after growing up primarily as a Walt Disney World fan. He and his wife moved to Southern California in 2012 mostly so they could be closer to the theme parks and they visited the Disneyland Resort multiple times a week for almost two years. Today, he lives in Colorado but returns to both Anaheim and Orlando several times each year.
