overly academic.

WINNER OF THE PULITZER PRIZE What sort of "person" is God? What is his "life story"? Is it possible to approach him not as an object of religious reverence, but as the protagonist of the world's greatest book as a character who possesses all the depths, contradictions, and ambiguities of a Hamlet? This is the task that Jack Miles a former Jesuit trained in religious studies and Near Eastern languages accomplishes with such brilliance and originality in *God: A Biography*. Using the Hebrew Bible as his text, Miles shows us a God who evolves through his relationship with man, the image who in time becomes his rival. Here is the Creator who nearly destroys his chief creation; the bloodthirsty warrior and the protector of the downtrodden; the lawless law-giver; the scourge and the penitent. Profoundly learned, stylishly written, the resulting work illuminates God and man alike and returns us to the Bible with a sense of discovery and wonder.

.com Is it possible to approach God not as an object of religious reverence, but as the protagonist of the world's greatest book -- as a character who possesses all the depths, contradictions, and ambiguities of a Hamlet? How does he depend on the other characters, and how does his relationship with them show his development? Miles provides a learned, original exegesis that will send readers back to the Bible in curious amazement. Winner of the 1996 Pulitzer Prize for biography. From Publishers Weekly Former Jesuit Miles offers a detailed analysis of the nature and character of God as he appears in the Old Testament. Copyright 1996 Reed Business Information, Inc. From Library Journal Despite its provocative title, this is a serious attempt to come to an understanding of the portrayal of God in the Tanakh, i.e., the books of the Hebrew Scriptures in the order of the Hebrew Bible, as opposed to the order in the Old Testament. Miles, a former Jesuit with a Ph.D. in Near Eastern languages who is currently a member of the editorial board of the Los Angeles Times, offers "knowledge of God as a literary character." While some may not care for how God is portrayed? at one point he is "whiny"? the book will appeal to believers and nonbelievers alike as an excellent introduction to the Hebrew Scriptures that does not read like a Scripture commentary. Recommended for all collections.? Augustine J. Curley, Newark Abbey, N.J. Copyright 1995 Reed Business Information, Inc.
