**Ted Tenny : Goldfield Mountain Hikes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Goldfield Mountain Hikes:

3 of 3 people found the following review helpful. Ok but By Desert Rat Although the narrative for each hike is thorough, cross-referencing each route to the maps provided requires a lot of back and forth page flipping. More

frustrating is the absence of directions to trail heads. Oddly you can go to the author's web site for this where even the GPS co-ordinates for each trail head is recorded. I think the author needed a better editor. 0 of 0 people found the following review helpful. Five Stars By Duncan Kunz We've done several of his hikes and the information is accurate and well presented. 0 of 0 people found the following review helpful. the hiking seniors By john's rocks great maps, hiking and route descriptions well done. Couldn't find this hiking information anywhere else but this book. Pictures were well done. Highly recommend this book for all ages.

The Goldfield Mountains are only 40 miles from Phoenix yet largely undiscovered. Hikers who visit the Goldfields experience a land of intricate and spectacular volcanic formations, ridges, canyons, arches, and a charming and vicacious upper Sonoran ecosystem. In this book, the author, a lifelong outdoors enthusiast and master hiker guides you throughout this picturesque wilderness area on 33 meticulously charted routes. Each hike has a unique point of interest or scenic reward. Each is introduced with a listing including difficulty rating, distance, estimated time, elevation change and descriptive synopsis. Includes 24 pages of gorgeous color photos; BW photos throughout; 12 topographical maps with trails and annotated text references; GPS co-ordinates for trailheads and junctions; invaluable information and safety tips.

About the Author Ted Tenny is a lifelong outdoors enthusiast. He has hiked extensively in Arizona and other southwestern states, specializing in one-way hikes that are frequently off trail. Ted was born in Joplin, Missouri; earned an S.B. in Aeronautics and Astronautics from M.I.T.; an M.S. in Aeronautics and Astronautics from Stanford, and a Ph.D. in Mathematics and Computer Science from Clarkson University in Potsdam, NY. He lives in Mesa, AZ, with his wife. You can visit Ted at [www.mile204.us/Goldfields/index.html](http://www.mile204.us/Goldfields/index.html)
