John H. Tidyman, John Tidyman : Golf Getaways from Cleveland before purchasing it in order to gage whether or not it would be worth my time, and all praised Golf Getaways from Cleveland:

Want a golfing getaway that doesn't require paying airfare to Orlando or using up precious vacation time? Here are 40 of them, just a few hours' drive (or less) from Cleveland. A great golfing getaway includes more than just golf. There are accommodations, food, nighttime recreation--oh, and first-rate activities to keep the non-golfing spouse or kids happy while you're on the course. (After all, how else are married types going to justify a bunch of weekend golfing trips!) This book delivers enough nearby getaway ideas to help any golfer skip town for several weekends each season. It will also help anyone who wants to plan a business meeting, family reunion, or other group retreat around a golf outing. Compiled by John H. Tidyman, author of *The Cleveland Golfer's Bible*.
