**Jay D. Jenks, Steven L. Walker : Golf West: A Photographic Journey of the Western World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Golf West: A Photographic Journey of the Western World:

1 of 1 people found the following review helpful. Golfer's DreamBy Midge TranbergThis book is for everyone who loves golf.. This is a golfer's paradise. Makes a prefect gift.

This oversized color pictorial showcases the premier golf resorts in the western United States--as well as Bali and Fiji. The natural and man-made beauty of these spectacular sites is captured in exquisite color photographs that transport the reader to some of the most beautiful places on earth. Accompanying text describes the facilities and history of each resort. A perfect gift for either the golfer lucky enough to play these courses or the golfer who just dreams about it -- someday.
