the intermediate angler will find this text a worthy companion. In my opinion, the most important thing to do is locate fish in a body of water. The authors have done this for us. All we have to do is show up and give it a try. With the knowledge gained in the book even the novice will catch fish if they put their time on the water. Best of luck! P.S. I live in Pa. now and still fish in Jersey. Don't let anyone fool you. Jersey IS the Garden State!!

Grab your tackle and hit the road with Ron Bern and Manny Luftglass as they take you to the choicest places to fish in New York in *Gone Fishin': The 100 Best Spots in New York*, their follow-up to the highly successful *Gone Fishin': The 100 Best Spots in New Jersey*. Truly great freshwater and saltwater fishing abounds throughout the state, from the classic Catskills trout streams to the mighty Hudson and Delaware rivers; from Lake Ontario to the Finger Lakes; from Long Island Sound to the bluewater canyons off the coast; from saltwater bays to artificial reefs; from the smaller sweetwater rivers and New York City reservoirs to surprising trout streams and bass ponds on Long Island. Luftglass and Bern provide readers with immediately useful insights into each of the 100 best sites. They furnish easy-to-follow directions, descriptions of the body of water, boat launch information, and detailed advice on live and artificial bait, fishing methods, equipment, depths, best times of day and year, secret tips particular to each site, and even specific places to work bait or lures. *Gone Fishin'* also includes places that are good for children, as well as those which are handicapped accessible. Throughout the book, Bern and Luftglass share anecdotes about their own fishing adventures and some of the big ones that didn't get away in their more than 33 years of fishing together. Informative and comprehensive . . . Luftglass and Bern have successfully outlined the tremendous wealth of fishing opportunities available to anglers in the Garden State.
