**Jim Capossela : Good Fishing in the Catskills: A Complete Angler's Guide (Third Edition) (Backcountry Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Good Fishing in the Catskills: A Complete Angler's Guide (Third Edition) (Backcountry Guides):

0 of 0 people found the following review helpful. Good book  
By Jeff Hibbard I am planning a trip to the Catskills this summer (2017) and will have this book with me. I am already studying it, but realize I will need updated maps when I get there, for access points. The book has wonderful stories and anecdotes to go with the text. A good read even if you never plan to go.

By Marv Nice reference.  
1 of 2 people found the following review helpful. Five Stars  
By Rebecca Beangift for my husband--he loves it!

A revised and updated guide to a classic fly fishing destination. This revised and updated guide to a classic fly fishing destination gives anglers the information they need to: Fish legendary rivers like the Esopus, Beaver Kill, Neversink, Schoharie, and Willowemoc Discover many lesser-known streams, with light fishing pressure and plentiful native brookies and other trout Explore the cold, deep mountain reservoirs Pepacton, Cannonsville, Schoharie, Neversink, Ashokan, and Rondout with their miles of undeveloped shorelines and remarkable trophy fish Fish the Delaware by canoe and find shad in season, as well as trout, bass, and walleye Dozens of maps and local hatch charts provide essential data for the region. 30 black-and-white photographs, 28 maps, index

The last word on fishing the waters in the reputed birthplace of fly-fishing. -- Adirondac magazine  
About the Author Hudson Valley native Jim Capossela has devoted many years to exploring the streams and lakes in and around the Catskills. He has written ten books on fishing and outdoor recreation, as well as articles for Field and Stream, Sports Afield, and many other magazines. He lives in Croton-on-Hudson, New York.
