ABOUT THE BOOK:Grand Canyon - The Story Behind the Sceneryby L. Greer PriceNowhere else on earth has nature produced so striking an example of the power of running water--and in doing so, exposed so much of the early history of the North American continent. And no book captures the magic of the mile-deep gorge and the ancient land around it like Grand Canyon, The Story Behind the Scenery. Its vivid photography illustrates vast landscapes disappearing on the horizon in either direction. These are among the last sanctuaries in North America of the wild and inaccessible.9" x 12", Paperback, 80 color photos mapsABOUT THE DVD:The Complete Grand Canyon, DVD2 DVD SET - Over 2 Hours!
