Color me cautious... or color me dead! Adventure awaits those who explore Grand Canyon National Park's desert rims, yawning canyons, and wild river rapids. But beware: the Grand Canyon is a place of extremes. From scorching sun that gives way to freezing blizzards, plateaus that abruptly end in vertical cliffs, and flash floods that rage through bone dry ravines, the Park can be a dangerous place for the unwary. Scenic Views! Intriguing Animals! Disturbing

Facts! If there's a way to die in the Grand Canyon, you'll find it pictured here, ready for your coloring enjoyment. This coloring book also offers facts about the park and its many animals (peaceful and otherwise) and even a few tips to help you stay alive during what hopefully isn't your last trip to America's only Wonder of the Natural World. This coloring book isn't for everyone! It depicts scenes of graphic violence including drowning, electrocution, traumatic head injury, and suicide. Recommended for mature colorists only! You've been warned!
