However, the east side from the grandview point is not covered and there are some redundancies.2 of 2 people found the following review helpful. Earthwalk MapBy PeteEasy to read, nice clear detail, trails have more mileage segments than many other maps which is good for a quick reference on distance

you've covered or distance left on your route.

Contains all the Rim Trails, North and South, plus Brights Vail Path. Updated with accuracy, contains information on facilities, points of contact and a great deal of good advice from veteran canyon hikers. Printed on durable recycled paper.
