These beautiful postcard booksBy ChrisThese beautiful postcard books, by brown trout publications are so nice, and really unique. i love the beautiful views and sights the postcards offer .i have bought many of these books now, and have been able to mail these postcards to friends, all around the world :) i'm buying more of these books. beautiful views, amazing sights, all around the states and world, nature :) i will certainly be buying more :) These postcards have brought smiles across the miles to our dear friends, and i'm very thankful for that :)1 of 1 people found the following review helpful. Selfish Gift to MyselfBy Judy WolkenI send out hundreds of cards a month - they are cheaper to send than letters and a very nice way to stay in touch with friends and family. The Grand Canyon book was so beautiful - I am keeping it for myself. 's wide selection of postcard books gives me plenty of other choices to send. So I can afford to be a little selfish for once.
