Your personal guide to the Grand Canyon's East Rim Drive. Begins at Mather Point and describes the vistas at overlooks from there through Desert View Overlook. Walkabout Audio Tours provide you with the insight that local historians, museum curators and park rangers know well. You'll hear little known historical and cultural facts, the background to unique geological formations, discussions of local flora and fauna, and Native American myths and legends. Measure the Grand Canyon by reaches or river miles. The earth's history is revealed in the walls and peaks of the canyon. Ride the river as John Wesley Powell experienced it. Why is the Colorado River so rarely red? See the Canyon through Hopi eyes. Run time: Approximately 30 minutes

Anyone who has stumbled over a trail while trying to read a guidebook will appreciate Walkabout Audio Tours. -- Arizona Republic - Oct. 15. 2000 About the Author Written and produced by a Ph.D. anthropologist and a former teacher.
