A lot of good ideas and a good description of the area. If you are going to the Grand Canyon, this is a good resource.2 of 2 people found the following review helpful. Rip offBy Martha BusbiaIt's a rip off for the price shipping. I saw this same item in the Grand Canyon Gift Shop for \$1.99 new.It has information--It should be described as a brochure. It's hardly a trail guide.

Applies to: Arizona. Pocket-sized trail guide to the sights, history, and water holes of the Havasu trail. Includes Grand Canyon-specific safety and hiking tips.
