Michael F. Anderson, Scott Thybony : Grand Canyon Trail Guide: South North Bass (Grand Canyon Trail Guide Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Grand Canyon Trail Guide: South North Bass (Grand Canyon Trail Guide Series):

If you are planning to hike the Bass Trail, this trail guide is indispensable, with extensive information on desert hiking, trail landmarks, history, geology, ecology and much more. Includes detailed maps. Because both the South and North Bass trailheads are remote, day hikes are not recommended. 40 pages, softcover, 4" x 7.5"
