the Canyon from this book. Highly recommend it to anyone that loves the Grand Canyon.

The Grand Canyon is full of wonder--and so is this book. Here you will find the biggest and smallest, longest and shortest, first and last, weirdest and wildest, and the who, what, and where of the Grand Canyon. From rim to rim with the canyon and river in between, Grand Canyon Trivia offers something fascinating, fun, and little known about everything. Take it on a hike, pack it in your raft, carry it on a mule, or enjoy it around a campfire. You can even use it to quiz your companions and play a trivia game. These trivial trifles, treasures, and treats will keep you laughing, learning, and guessing. It's fun-tastic! Great for curious kids, inquisitive visitors, and inquiring hikers, and smart travelers.
