Waypoint Tours, Bonnie Kline : Grand Canyon Village West Tour before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grand Canyon Village West Tour:

This Grand Canyon Audio CD Waypoint Tour is your personal tour guide unlocking the history, geology, and nature of the Grand Canyon South Rims Village and West Tour waypoints. A portion of the proceeds goes to support the Grand Canyon National Park through the Grand Canyon Association and the Grand Canyon National Park Foundation. Audio CD is 52 minutes in length. We hope you enjoy your Waypoint Tour and we look forward to your feedback. Please contact us and let us know your ideas for future Waypoint Tours as well.

"Absolutely magnificent job of capturing the grandeur of the Grand Canyon experience on these well-written, crystal-clear, and wonderfully-orchestrated CDs." Michael -- President of AudioMakers, May 2004 "These CDs are stunning! It is so amazing to hear with all the music and sound effects." Janet Ault -- Professional Voice Talent, May 2004 From the Publisher Whether you're planning, traveling or dreaming at home, driving, hiking or walking, a Waypoint Tour is your personal tour guide unlocking the history, geology, and nature of your travel adventure destinations. Waypoint Tours are available in a variety of formats including audio CDs, audio MP3s, and interactive PDA GPS software tours along with corresponding PC screensavers and desktop wallpaper. High-quality, high-resolution digital photos are also available for any of the photos displayed on the Waypoint Tours website or featured in any of the PC screensaver products. From the Inside Flap This Grand Canyon Audio CD Waypoint Tour is your personal tour guide unlocking the

history, geology, and nature of the Grand Canyon South Rims Village and West Tour waypoints. A portion of the proceeds goes to support the Grand Canyon National Park through the Grand Canyon Association and the Grand Canyon National Park Foundation. Audio CD is 52 minutes in length.
