**American Map Corporation : Grand Rapids/Muskegon Michigan Street Atlas (American Map)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grand Rapids/Muskegon Michigan Street Atlas (American Map):

Traveling is more than getting from Point A to Point B. It's having the ability to choose the best route, or change course at any moment. American map atlases put you in control by supplying the "big picture" as well as the details. Meticulously researched and continually updated.
