Mac KendrickGrant can always be counted on to give interesting information on numerous places in Oregon that one might want to visit. I can only rate as a 5 as he does such a top notch job of covering the

bases and making new places interesting. We have followed him for years on Oregon television and are now starting to use his books as roadmaps (literally!) for our retirement travel. If you are looking for some great places to visit in Oregon, even if, like us, you live in Oregon. His books are very helpful and a fun way to plan some adventures year round. 1 of 1 people found the following review helpful. Fantastic for those who live in or want to visit Oregon. By happy cooker I don't understand the couple people who complained about this book. Of course if you are reading it on a black and white kindle, the pics will be black and white. I read it on my iPad, the pictures are in color, and the web addresses others were complaining about are hot links on the iPad, so you could go right to them to get more info. Not sure what more you could want in an Oregon guide book. The only thing I would have liked would be more pictures. And bigger. 1 of 1 people found the following review helpful. This is a really good book on what to do and where to go ... By Dianne M. Zabel This is a really good book on what to do and where to go when visiting/traveling in Oregon. It has clear and precise directions on how to get to the out of the way places. One of the places we visited was the Drift Creek site, #20 Getaway on the Oregon Coast in the Siuslaw Natl. Forest. There is a falls and also a suspension bridge. Both were amazing! I am a native Oregonian however left 45 years ago. My husband and I have been returning summers now for the last 10 years. Our thanks to Mr. McOmie for introducing us to these places. DZ

Emmy Award-winning journalist and fifth-generation Oregon native Grant McOmie provides travelers with an in-depth guide to 101 of the best Oregon destinations featured in his popular television series Grants Getaways, produced by KGW-TV and Travel Oregon. Come along with Grant McOmie as he explores family-friendly destinations and day trips across the width and breadth of Oregon. From kayaking in Netarts Bay, riding a jet boat on the Rogue River, and fishing for Deschutes River steelhead to exploring Lava River Cave in the Newberry Volcanic National Monument, digging for fossils in the John Day Basin, and riding mountain bikes at Black Rock, Grants Getaways: 101 Oregon Adventures has an outdoor adventure for everyone. The book is organized by the month in which the television segment was filmed, and features 75 photographs from Grants outdoor adventures. Also included are travel tips such as What to Know if You Go and Best Time of the Year as well as access information.

No one knows how to get more out of our amazing state than Grant McOmie. He's been showing us how to enjoy the best stuff along the back roads and beyond for a long time. I suspect he might actually be trying to get away from the question everyone asks him: How do I get your job? but I'm thankful Grants made it so easy for all of us to . . . get away. Paul Linnman, KEX 1190 radio personality, and author of The Exploding Whale and Oregon Golf I've been a fan of Grant McOmie since his cub reporter days in Seattle. He is the voice of the great Pacific Northwest outdoors. Capturing not only the story of the destination, but sharing the legends, yarns, and accounts of the personalities that make Oregon this unique place we call home. Great read, makes me want to get outdoors even more! John Williams, creator/host of Wheelchair Destinations Grant has long been a favorite of mine and now he's sharing the how, what, where, and when of his insightful outdoor adventures. Whether tree climbing, cooking up a crawfish boil, digging clams and fossils, kayaking, snowshoeing, or soaring skyward, Grant offers 101 concise vignettes that intrigue and encourage us to lace up our boots and get out there. As Grant so aptly puts, Why live here if you don't go searching for those singular moments which set Oregon apart. Amen. MJ Cody, co-editor of Wild in the City
