Serena Bartlett, Diana Morgan : GrassRoutes Travel Guide to Portland: New View of the Rosy City before purchasing it in order to gauge whether or not it would be worth my time, and all praised GrassRoutes Travel Guide to Portland: New View of the Rosy City:

0 of 0 people found the following review helpful. Awesome! By K. Everingham Whether you live in Portland or are traveling there- this is a great guidebook for the hip urbanite in their 20 to 30s. Not geared towards families but there are a bunch of activities that could be family friendly. The authors really captured the essence of what is Portland. Even if you have lived here for a long time, I am sure you will find some new interesting things to do around town!

Portland, Oregon has a vibrant arts and culture scene, stemming from its beautiful riverside downtown. First rate theaters, film festivals, microbreweries and galleries are tucked away in a city with a neighborhood feel. Worldclass restaurants abound. It is also a perfect vantage point to explore the great outdoors, with beautiful mountains, gushing rivers and breathtaking views from a plentiful network of hiking trails. The people have a natural consciousness for sustainability, and their wide array of businesses reflect this mentality.
