Gary McKechnie : Great American Motorcycle Tours of the South before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great American Motorcycle Tours of the South:

You're a rider . . . an independent spirit who's reluctant to follow someone else's road map. But there are thousands of

miles of road out there, and you could spend months searching for the best ones. Don't waste your valuable two-wheeled vacation. Instead, let Gary McKechnie be your guide. He's spent years exploring the nation by bike, and these are his top rides. Great American Motorcycles of the South focuses on the best rides of the region, including a new ride through Texas Hill Country.
