**Ken Stanton : Great Day Hikes In Around Napa Valley, 2d ed.** before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Day Hikes In Around Napa Valley, 2d ed.:

0 of 0 people found the following review helpful. Nice, conversational hiking guide.By Christopher C.Reads like a friend or local hiker telling you about their favorite spots. Can't wait to go see them myself.0 of 0 people found the following review helpful. Hikes were nice but description lacks a bitBy Pikike66The described hikes were very nice but somehow I didn't like the setup of the book very much. Especially the maps were not very easy to read.4 of 8 people found the following review helpful. Very Good List of PlacesBy A CustomerThe wine tasting is only one of many activities in Napa.Wonderful green rolling hills are great for hiking.This is a great book for anyone looking for hiking trails around there.

Just 5 1/2 years after the first edition, Ken Stanton has fully expanded and updated his popular guide to trails around Napa Valley. Stanton, author of Mount St. Helena and R. L. Stevenson State Park, has added 35 miles of new hiking and four great areas to explore to his already classic guide to day hikes in the gorgeous wild wonderland around the famous vineyards. His captivating, detailed trail reports, featuring many little known hikes, include entertaining tales of Napa's colorful past. New areas include the Palisades Trail, Rooster's Ridge and Stag's Leap, the Judge Davis and Redbud Trails in Cache Creek Wildlife Area, a new entrance to Cedar Roughs, and more.

Stanton is perhaps the ideal guide. -- Discover Calistoga  
The valley offers outstanding hiking. Reading these  
engrossing descriptions makes you feel as if you're on a guided tour. -- Sunset
