Jonathan Sternfield : Great Destinations: Berkshire Book : A Complete Guide (5th Ed) before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Destinations: Berkshire Book : A Complete Guide (5th Ed):

6 of 6 people found the following review helpful. An Excellent Guide Gets Even BetterBy A CustomerThis is, simply, the only guide you'll want or need for visiting the Berkshires. It seems to improve a little with each addition. I gave the last edition four stars. I'd give this one four and a half (if would let me.) Having travelled all over the world and found few spots to rival the Berkshres for quiet, unspoiled beauty, wonderful place to bike and hike and rich cultural offerings, I am glad to have found a guidebook worth of this worthy place.

All-new reviews of lodgings and restaurants, the latest developments at Tanglewood, new cultural institutions, and the best music and night clubs are critiqued in this comprehensive, fully revised guide to the fertile Berkshire region.
