I gave it to a young bride who was about to embark on a 6 month world trip and she was thrilled0 of 2 people found the following review helpful. If not Vol II, it must be Vol IBy dave holt presentation of this item led me to buy a second copy of Vol II. The cover picture and listing are different from the Vol II listing, so I assumed it was Vol I. Only after receiving it and challenging the seller did I look closely enough to see the indistinct "Vol II" on the cover. So I can return it, right? At a postage rate basically the cost of the book! Good thing I like Vol II well enough to share it with someone as an unexpected Christmas gift.

Inspiring getaways from California to Zanzibar This round-up of the world's most exceptional hotels and retreats is packed with awe-inspiring photos and tantalizing descriptions of the world's greatest getaways. While few will visit them all, this collection provides a dizzying array of exotic destinations for the armchair traveler. Highlights include a

California inn where Liberace would have felt right at home, and shabby-chic bungalows on Highway 1 in Big Sur. Choose from luxurious residences nestled on the Ubud hillside overlooking the Ayung River in Bali, or oceanside bungalows on a Brazilian archipelago. Go camping in "royal style" in the Indian desert, or opt for a luxury tented camp on an island in the best game-viewing location in Botswana. Relax in a hand-woven banda on Zanzibar, a hotel-museum full of contemporary art on the Sicilian coast, or a sumptuous Provenal spa retreat in the south of France.
