Lovely!By AmyReneNewmanI picked this up at the library just to add to our giant stack and though my daughter might enjoy the pictures. I was surprised how much I truly enjoyed this book! The photos were ofcourse lovely but the writing as well had me captivated. I bought this as a gift for a family member who grew up in the mountains and is enjoying it as well.0 of 0 people found the following review helpful. WonderfulBy Marjorie KleinI love Ghost Towns. We bought a log house out of Pioneer, MT and I'm always looking for the picture of it. I loved it. Thank You.
