**James Kavanagh, Waterford Press : Great Lakes Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Lakes Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. Great for the new or casual bird-watcher. By Diane P For a quick ID guide, I really like this. I got one as a thank you for donating to Wisconsin Public Radio. I can sit at my window and quickly identify new birds that visit my feeders. I liked it so much, I bought one for my neighbor. It's a three-fold brochure-type booklet and the pages are laminated. It can easily slide into purse or pocket and be taken on nature walks or camping. A great stocking-stuffer or little gift for the new or casual bird-watcher! 0 of 0 people found the following review helpful. Short but sweet By NANCY IANGE It is a very abbreviated list of Great Lakes birds. Probably fine for someone new to birding. 0 of 0 people found the following review helpful. Quick reference By Janet S. Forrest This is an easy to carry and , durable guide for birding in the Great Lakes. This is not intended to a comprehensive guide but avert nice quick reference,

The Great Lakes watershed is the permanent or migratory home of over 450 species of birds, including the iconic common loon, whose haunting call can be heard at night throughout the region. This beautifully illustrated guide highlights over 140 familiar and unique species and includes a map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

From the Back Cover Great Lakes Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. When visiting anywhere in the Great Lakes area, you'll want to take along a copy of this indispensable guide that reviews familiar species found in nearshore habitats throughout the region. The Pocket Naturalist(tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (3 1/2 X 8 1/4 folded, opens to 22 X 8 1/4, color illustrations, map) About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
