Therese Gonzalez : Great Lakes Naval Training Station (Images of America: Illinois) before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Lakes Naval Training Station (Images of America: Illinois):

Great Lakes Naval Training Station was authorized as a training ship on land in 1904. The base opened on July 1, 1911, and the first class of 300 U.S. sailors graduated four months later in a grand ceremony attended by Pres. William H. Taft as guest of honor. It has since sent to the fleet over four million sailors, serving the nation through all the

conflicts of the 20th century. Today Great Lakes is the sole remaining navy boot camp in the United States. Anchored by the stately Building One, the entire 43-building complex was designated as Great Lakes Naval Training Station on the National Register of Historic Places in 1986. This book, with over 200 vintage images, explores its colorful and important history.
