Carl Roessler : Great Reefs of the World (Lonely Planet Diving Snorkeling Great Barrier Reef) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Reefs of the World (Lonely Planet Diving Snorkeling Great Barrier Reef):

Renowned diver/photographer Carl Roessler escorts you on an around-the-world trip with poetic and magical images of legendary reefs in Thailand, the Maldives, the Red Sea, Papua New Guinea, the Coral Sea, Baja California, the Galapagos, the Caribbean and the Bahamas, and many more.
