From Brand: Insight Guides : Great River Cruises: Europe the Nile (Insight Guide Great River Cruises: Europe the Nile) before purchasing it in order to gage whether or not it would be worth my time, and all praised Great River Cruises: Europe the Nile (Insight Guide Great River Cruises: Europe the Nile):

2 of 2 people found the following review helpful. Great Resource in Easy to Read Format!By analiesHelpful Resource in easy to read format. Covered the cities on our Viking River Cruise nicely.feel more prepared to relate to what we

will be seeing and experiencing. A nice overview, including the history and how it impacts the cities/locals. Also has helpful maps, tips, overviews of what to see when at various ports. Great colorful photos throughout the book. Has helpful travel information, such as pharmacies, emergency numbers, tipping, and other facts that one would not know while traveling through many different countries. The format makes it easy to navigate the book. Highly recommend! 30 of 30 people found the following review helpful. A true insight into European River Cruises By Lawrence M Hufty Bought this for the in-laws to investigate going on a river cruise in Europe. This concept was completely outside of their comfort zone prior to receiving this book. After a couple of days reading it, they are now ready to go and have in fact already purchased a cruise. This book is full of wonderful photographs, maps, and destinations of many of the cruises. This book was instrumental in helping them decide which cruise line to take (Viking) and which trip to take. If you are even remotely considering a river cruise in Europe, this book is a must read. And although the in-laws have not yet taken their trip, they fully intend on taking the book with them. Bon Voyage!!!! 5 of 5 people found the following review helpful. Out of date By Nicole This would be a great guide- if it was updated. This is a fast changing segment of the cruise industry and this book doesn't keep up. I've found many, many discrepancies.

How can you travel to several cities in comfort without the drudgery of countless travel connections? Last year alone, more than 1 million people discovered that answer by taking a river cruise--and the number is growing each year. Insight Guides, the world's largest visual travel guide series is proud to offer the all-new, Insight Guide Great River Cruises of Europe this Spring for consumers catching this exciting new wave in travel. .Comprehensive itineraries-a full run-down of cruises available on the Danube, Rhine, Elbe, Moselle, Rhone, Saone, Seine, Po, Douro, Thames, Shannon, Volga, Don, Neva, Moska, and Dniepr .Authoritative overview-introduction by Douglas Ward, the world's leading expert on cruising and author of the annual Berlitz Ocean Cruising and Cruise Ships guide .Expert Advice-the answers to questions most frequently asked by people who are thinking of taking a river cruise .Consumer Information-list of vessels, dimensions, number of cabins and other details, including ratings by Douglas Ward .Great Traditions-a recount of the history of Europe's waterways .Full-colour photography and maps-throughout the book .A Travel Tips Section-containing information and advice, all essential telephone and fax numbers and e-mail addresses, plus weather charts.
