W. Eugene Cox : Great Smoky Mountains: The Story Behind the Scenery (English and German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Smoky Mountains: The Story Behind the Scenery (English and German Edition):

0 of 0 people found the following review helpful. Five StarsBy Customernice book0 of 0 people found the following review helpful. Four StarsBy OutskiingA lovely book with excellent photographs and a good overview of the park.0 of 0 people found the following review helpful. Adds to my collectionBy scrapbooking wifeI have been collecting the "Story Behind the Scenery" books for a number of years. They are always colorful and descriptive and this is no exception.

The Great Smoky Mountains--awe-inspiring wildness, from the beautiful catawba rhododendron to the smallest insect. Stand on any mountain ridge and observe the rapidly moving fog that gives the mountains their name. This sanctuary for people, wildlife and plants enriches our lives. Great Smoky Mountains National Park, located in Tennessee and North Carolina, was established in 1934 to preserve the rich biological and cultural diversity in this wildlands sanctuary.

From the Publisher Each book in this series tells a compelling story through the eyes of an experienced interpreter whose writing reflects true enthusiasm for the park. Complete with running text and interpretive captions, accompanied by abundant full-color photographs, these books will be welcome in any home library. About the Author W. Eugene Cox is the former Chief of Interpretation and Visitor Services at Great Smoky Mountains National Park. His career has been dedicated to conservation and education and to providing the best possible service for the park's most important resource, the visitor.
